C.M.Appl.No. 8 of 2007 &

C.R.P.No. 5 of 2007

ORDER

C.M.Appl.No.8/07

This is an application seeking for condonation of delay of 586 days in filing the Civil Revision Petition. The explanation for the delay offered in paragraph 3 of the affidavit, accompanying the C.M. Application, is that sanction had to be obtained from the Board for filing CRP and in this process there occurred a delay of 586 days in filing the revision petition. The above explanation showS only the irresponsible way in which the file was dealt with in the office of the KSEB and that is no ground for condonation of delay of as many as 586 days in fling the CRP. The C.M. Application is, hence, dismissed.

C.R.P.No.5/07

C.M. Application No.8/07 seeking for condonation of delay of 586 days in filing the CRP is dismissed. Consequently, this revision, filed out of time, is not maintainable and is dismissed.
